## Judges' Council – History and Purpose

The 1<sup>st</sup> School for Judges and Exhibitors of Flower Arranging, the first of its kind in Canada, was conducted in 1956-1958 in Toronto. It was not long after graduation that accredited judges began work towards a handbook for Canadian Judges. The cooperative efforts of the Ontario Ministry of Agriculture, Garden Clubs of Ontario judges and the Ontario Horticultural Association eventually produced *Horticultural Judging Standards, Publication 34*. This handbook was revised in 1994, in 2003 and again in 2019. It is now known as the *Ontario Judging and Exhibiting Standards for Horticulture and Floral Design*.

In 1966, Garden Clubs of Ontario established the Council of Judges which later became The Standards Committee of the Garden Clubs of Ontario (G.C.O). The purpose was to maintain a high calibre of judging, arrange Judging Schools, to keep Judges up-to-date and to establish a policy regarding a Registry of Judges. In 1983, all Decorative Judges accredited by the Garden Clubs of Ontario became members of G.C.O. In 1984, Horticultural Judges accredited by the Royal Botanical Gardens agreed to join the Decorative Judges in becoming members of G.C.O. and the Standards Committee became the Decorative and Horticultural Judges Association of the Garden Clubs of Ontario. In 1995, this evolved into the Judges' Council of the Garden Clubs of Ontario. In 2018 Judges' Council changed status from a standing committee of Garden Clubs of Ontario to become an independent organization under the umbrella of Garden Clubs of Ontario.

The objectives of Judges' Council are:

- To maintain a high standard of judging design, horticulture and special exhibit competitions.
- To promote uniformity in judging through education, research, study and practice.
- To add to the capability and knowledge of those holding judging accreditation.

The executive is comprised of a Chair, Secretary, Treasurer and as many members as is deemed necessary. In addition to organizing education opportunities for its members, Judges' Council maintains a Registry of Design and Horticulture Judges accredited by the Garden Clubs of Ontario and the Royal Botanical Gardens respectively. All members of Judges' Council automatically become members of the Garden Clubs of Ontario.

A complete listing of Judges' Council members is contained in this book. A listing of active judges is also available at <http://www.gardenclubsofontario.ca/judges-council.html>.
